

# ✨ Try Our New FREE Product

Lekkтура Dashboard

Key Features:

## 1. Grading

Enter scores, auto-calculate averages, and generate grading reports in seconds.

## 2. Attendance Tracker

Mark attendance with one click, track tardies and absences, and see instant updates.

## 3. Behavior Tracker

Log positive and negative behavior incidents, filter entries by student or date.

## 4. Analytics

View dynamic charts on grades, attendance, and behavior for quick, data-driven insights.
